# PROFIT Protection

Lodge Service is an established provider of profit protection solutions to the retail sector, specialising in security compliance audits as well as cash and stock loss investigations.

With an experienced team of field based Loss Prevention Managers, we are able to provide a quick and effective response to your loss prevention concerns, either in support of your existing team or as a total outsourced provider. Solutions may include staff searches, interviews, awareness training and covert operations.

Working closely with you, we will develop bespoke solutions to your problem, with your account being managed by an experienced retail loss prevention manager.

Lodge Service is also the largest and longest established Test Purchasing (TP) provider in the World. we specialise in the monitoring of point of sale activity and the integrity testing of sales staff.

In order to gain maximum benefit from our Test Purchasing visits we also offer a TP Plus programme which incorporates integrity testing with specific feedback on key customer service areas.

We are also experienced in conducting Health & Safety Compliance Audits in order to monitor store compliance with Company H&S policies, providing support to Area Management Teams and highlighting possible concerns before they become a major problem.

With 90 years experience of working within the retail sector, Lodge Service (UK) is uniquely positioned to provide cost effective solutions to a wide range of retail issues.
